I have been strongly influenced by the best motivational speakers our world has to offer over the last 30 years. I have also laughed and admired the talents of the greatest comedians. Never have I seen a speaker combine the talents of the motivator with the talents of the comedian like Jason Hewlett does. He may be from another galaxy!

As an event planner for the past 24 years, I'm not afraid to say that I can be hard to impress. I have booked Past Presidents, Astronauts, Motivational Speakers, Sports Celebrities, Magicians, and Drum Corps so I've seen my fair share of presenters. If you want to look like a "Rock Star" to your Clients, Board of Directors and Conference Attendees, you MUST book JASON HEWLETT! I have never been more impressed, and received such an overwhelming response about a performance. His presentation, delivery, musical interpretation and comedic timing WOW'd the audience! Two weeks after the conference and members are still talking about him! I cannot wait to book him for other clients I work with! HE KILLED IT!
